IMPORTANT: Simplicity is the best strategy for an effective message

CREATIVE RECOMMENDATIONS

- Simplicity is the best strategy for an effective message.
- Text should be large, bright and good contrast from the background.
- Avoid text over busy background.
- Avoid very thin text on bright backgrounds.
- 5 words per 5 seconds is a good system to follow. Small fonts or lots of text is innaffective.
- Animations are more effective that static. (We provide in-house production at a reduced rate for advertisers)

IN-HOUSE PRODUCTION

- We offer full in-house video production for clients, tenants and property owners.
- You send us your creative assets and we'll bring them to life.
- We have a deep commitment to delivering high quality production and how best to utilize the medium.

FILE FORMATS

We accept most digital documents; Photoshop, Illustrator, InDesign After Effects projects, C4D, Element 3D.
File formats; .Jpeg, .PNG, .ai, .eps, .psd, .tiff.
