DIGITAL DISPLAYS, POSTERS

Primarily surrounded by residential communities that are projected to experience significant density over the next 20 years, Westbrook Mall is ideally located along Bow Trail, the main artery for traffic from West Calgary into the downtown core. A new adjacent LRT station also provides commuters with seven minute access to the downtown core. Anchored by Sport Chek, Safeway and Walmart, the single level centre includes a 2-level medical professional complex and several pad tenants including Boston Pizza and Spa Lady.
